DESCRIPTION

We present a property located in an excellent urbanization in Alfaz del Pi, with immediate proximity to Albir. With a plot of almost 1,000m2 and a construction of 190m2, this villa offers a functional design. The house, organized on one floor, has a double apartment. The first apartment consists of three bedrooms, while the second has two bedrooms, each with access to a bathroom. The location in this outstanding urbanisation adds an added appeal, providing easy access to local amenities and the tranquillity of Albir. The interior design is characterized by its functionality. Outside, the property sits on an extensive plot, providing various opportunities for outdoor activities. This villa is an attractive option for those looking to combine a prime location in a good urbanisation with practical design and contemporary amenities.
