DESCRIPTION

This charming townhouse of 214 square meters is located in the urban center of La Nucia, close to all services and amenities. The property is distributed over four levels. On the access floor, we find a fully equipped kitchen, a guest toilet and a spacious livingdining room that has access to an outdoor terrace from where you can access the communal pool. On the first floor, there are three large bedrooms and two bathrooms, one of them en suite in the master bedroom. On the second floor, there is an attic area that currently functions as a third bedroom and has access to two terraces. The house has a closed garage in the basement, which can be accessed both from the inside and from the terrace, and which can also be used as a storage area. In addition, the house is equipped with double glazed windows, a pellet fireplace and air conditioning.
