INFO

DESCRIPTION

This prime location along the authentic beach of la Olla, is the location of this unique 4 bedrooms duplex with 180 degrees sea and panoramic views over the bay from Calpe up to Altea. The building has been built on a 3800 m2 plot on top of a rock that sticks out into the sea and has a spectacular scenery day and night. It is next to a small harbor and from the penthouse you can reach the pebble stone beach via a bridge. The apartment has 4 bedrooms and 3 bathrooms of which 2 en-suite bathrooms and the interior of the penthouse has the Ibiza style Mediterranean atmosphere. The large sun terrace is totally private and has the amazing views. The property has a communal area with sun beds and lounge bed and includes 3 parking places in the garage which can be reached by elevator from the property. There is a private entrance to the beach and the beach restaurants and 5* hotel are at walking distance from the property.
