Although traditionally it has been considered a touristic area, more and more people are moving here, attracted by the pleasant winter weather. The benefits of the mud baths, typical of the region, or the calm waters of the Mar Menor, have favored the growth of Lo Pagán, which currently has all kind of amenities. Among its beaches include La Puntica or Los Barros. In addition, it has an excellent location, just 5 minutes from the Commercial Center Dos Mares, and 10 minutes from San Javier airport.
