DESCRIPTION

Townhouse for sale in the center of the town in Pedreguer, Costa Blanca, Alicante. Actually is two houses connected by a inside courtyard-garden and giving to at two different streets. Both plots have around 180 sq and the main house on two floors plus loft has 150 sq. The other house on the other street is practically a courtyard with planimetry made ??and approved by the College of Architects. It could be built a housing of 70/80 sq or a garage etc... The walls are of stone, beams are of mobila wood and although the structure has been reinforced and the roof is new, everything inside is to reform and redesign according to the taste by the person interested.
