DESCRIPTION

Characteristic original finca set in an idyllic and tranquil location yet on just a short distance to the town of Benissa and the coast. Facing south and wonderful views over the countryside. Spacious living area, separate kitchen, lounge with open fire, bedroom, bathroom and storeroom (possible bedroom). Internal stairs lead to the upper floor, offering the master bedroom, storeroom and bathroom. Several storage rooms and possibility to restore additional available space. This property has a lot of potential, the current state is perfectly liveable, however it is in need of modernisation. The plot is spacious and has good access, even with own vineyards. A good opportunity!
