DESCRIPTION

Corner townhouse with garden and private garage located in a quiet urbanization with communal pool. Distributed in 3 floors. The main floor consists of gallery, living room, a bathroom with shower, kitchen with access to the garden. The second floor has 3 bedrooms and a bathroom. In attic we find two rooms that can be used as a study, games room or as 2 bedrooms. It has a plot with wooden house for garden tools. Common areas with pool and space for sport. Very well connected by road, bike lane and close to supermarkets (La Nucía and Alfaz del Pí), Schools,

Institutes and Health Center.
