DESCRIPTION

Following the success of Novamar Suites I and II, Grupo VAPF introduces its new development of luxury apartments: Blue Infinity. Blue Infinity is situated within the Cumbre del Sol residential estate, in the coastal town of Benitachell, a few kilometres from Javea and Moraira, in the north of the Costa Blanca, halfway between Valencia and Alicante city centres. A residential area which enjoys great popularity and demand, an ideal location for year-round living, with sunny and mild winters, perfect for those seeking privacy, peace and quiet, combined

with the practise of outdoor activities throughout the whole year, awaking every morning to the panorama of the Mediterranean Sea. The building features a modern design, perceptible from the moment you enter the hall, a central core that houses a large gallery that extends the full height of the building, filling it with sunlight and the blue reflections of the sea. In addition, the access it is exclusive to the owners, with entry control, which provides added security and privacy. The ground floor houses the equipped communal areas with a large multipurpose room, a terrace with a shaded area, and the pool-side terrace to enjoy the sun with the infinity pool and that fuses with the Mediterranean landscape, a real treat for the sense.
