The kitchen is to the left of the room, arranged in an I-shape, and with a small island style breakfast bar separating it from the rest of the room. Two sets of large sliding doors open back onto the terrace area at the front of the villa. An overhang forms a covered area on the front terrace just outside the doors. The kitchen is fitted with a range of modern floor and wall units. A white goods package is available as an option. A double bedroom is located to the rear of the villa. It has sliding doors opening out into the garden area at the side. Family bathroom. First Floor: 2 double bedrooms, both with en-suite shower rooms. Both bedrooms also have sliding doors opening onto the terrace at the front that overlooks the garden. The villas are within a short walk of a selection of shops, restaurants and bars in the commercial centre of the urbanisation. A pharmacy is also available within the urbanisation. The 18 hole golf course has an attached clubhouse/bar/restaurant. A separate driving range, lawn bowling green and padel courts are also available.
