DESCRIPTION

Magnificent designer villa with private pool and very sunny plot, with fantastic views to the Serra Gelada. Nice garden with little maintenance and automatic irrigation. It has large living room, large kitchen closed with laundry, on the second floor are the 3 bedrooms, the main one with en suite bathroom and dressing area and private terrace. Large garage with space to put in a lot of things. There is a parking for one car. The house is equipped with a photovoltaic installation of solar panels and batteries that makes the house almost self-sufficient.
