DESCRIPTION

Detached villa in a quiet area of San Rafael close to all services (supermarkets, gas stations, pharmacies, bus stops,...) and with easy access to the road. The house is distributed over 4 levels. On the main floor we find hall, living room, 1 bedroom with bathroom and office (before it was kitchen). On the upper floor there are 3 bedrooms with 2 bathrooms (one of them en suite) and dressing room. On the ground floor is used as a leisure living area, has living room, kitchen, wood burning fireplace. It has its own entarda connected to the garden and on the same floor there is a closed garage. In the basement we find, gym, cellar and large storage room. It has an easy maintenance garden, private pool and barbecue.
