In the dining room there are two armchairs, a table with 4 chairs, a large TV, a storage cabinet and a balcony that overlooks the beach. This entire room is open (the bedroom and the living room) Very modern bathroom with large shower and screen. It does not have air conditioning, but it is very well ventilated and cool in the summer. It has the possibility of being rented with an extra joint room facing the back, if needed; this room has a separate balcony and a trundle bed with two single beds. (price to be agreed in each case). The location is excellent as it is located on the beachfront and in the old town, the heart of Villajoyosa. The last photos are the joint room and the corridor that joins the two rooms.
