DESCRIPTION

Nice villa with large plot in a quiet area of Alfaz del Pi. The house has 3 bedrooms (one of which is behind the garage), and 2 bathrooms, living room and kitchen that connects through a laundry room to the garage. On the plot there is the possibility of putting a swimming pool, since it has enough space, and several terraces. In the two bedrooms in the main house, there is air conditioning (hot cold) and in the living room, a nice wood burning fireplace. It also has a nice solarium, from where you can enjoy the open views of the mountains.
