DESCRIPTION

Villa | Chalet in Dénia - Els Poblets We present you this unique house in 1st line to the beach in the area of Dénia (Els Poblets). The house consists of a living-dining room, an open kitchen, two large bedrooms and a large bathroom. Both the kitchen and the bathroom have been refurbished only one year ago. Outside we have a covered front terrace, which offers direct sea views and then an esplanade where artificial grass has just been laid. At the back of the house we have another terrace with two storage rooms. Do not miss this opportunity.
