Its orientation provides sunshine all day long, from a peaceful morning outdoors to the last moments of the afternoon, surrounded by a landscape full of charm. The restored, welcoming house offers a simple space in which to feel at home. High ceilings create a sense of openness, while the living room with its fireplace invites you to enjoy a conversation, a good book or a winter afternoon by the fire. The house has one bedroom, a full bathroom with a shower and a sitting area incorporating an additional bed, arranged in a studio-style layout to make the most of the space. It is equipped with a water storage tank, solar panels for electricity and a kitchen supplied by bottled butane gas. Outside, the land extends across terraces that are easily accessible on foot, perfect for strolling around the property and finding a spot to enjoy the views.
