#### DESCRIPTION

This beautiful, 5 bedrooms finca has been recently renovated in style and is an oasis of piece and is situated between Altea and Alfaz del Pi. It is surrounded by palm trees, fruit trees and has a total of 3600 m2 and an own water well. The villa itself has a lovely covered terrace overlooking the land and many lounge corners to relax, enjoy the micro climate and spend long summer evenings. There is enough space on the plot to make an outdoor kitchen, grow your own vegetables, put in a swimming pool and turn into your dream home. On the ground floor it has a cosy living room with open fire and equipped kitchen, 3 bedrooms and two bathrooms. For your extra comfort, airco warm/cold has been installed as well. On the first floor are two more bedrooms with a shared bathroom and a large sun terrace overlooking the garden with the mountain as background. There is more than enough space to park your cars. For the lover of the country side (and though very close to the town and amenities) this villa is absolutely worth a visit.
