DESCRIPTION

If you are looking for an apartment in the first line with a large terrace, this is it! It also has three large bedrooms, kitchen, big sitting/dining room with another terrace in front, 2 bathrooms, private locked parking and of course elevator. It is situated in the first line to the beach and is constructed over two floors, where the terrace is on the top. You get into a hall where you find the access to the three bedrooms, the two bathrooms, the kitchen and the lounge. The bedrooms are all big and have built in wardrobes. They all turn towards the sea with a beautiful view. The bathrooms are nicely tiled. The sitting-/diningroom also has direct access to a smaller terrace also with views towards the sea. The separate kitchen has access to this terrace as well. You walk up some stairs and find a large terrace with views towards the harbour, the beach and the sea. The distance to the town centre is a few hundred meters only and the beach is less than a minute away. You just have to visit this before you make up your mind to buy anything else!
