DESCRIPTION

This Mediterranean style villa has been built on a very central location, at walking distance to the center and shops of Alfaz del Pi. It is situated on a large, flat and green plot of 5000 m2 in a quiet, residential area and is surrounded by a low maintenance garden with fruit trees and palm trees. What is special about this villa is the enormous outdoor terrace of 220 m2 with an heated pool and the main area is all on one floor. The living room has large windows and gives it a light and airy feel. On this floor are three bedrooms and two bedrooms of which one en-suite. Downstairs is the guest apartment with a combined living area and open kitchen, as well as one bedroom and bathroom and a huge garage for at least 4 cars and more parking outside. The villa is in perfect condition and has been well maintained by the owners.
