DESCRIPTION

The Property has six spacious and comfortable bedrooms and a jacuzzi suite in which outstanding attention to detail. With inspiring views of the sea or the mountains, the bedrooms have been named individually in view of their distinctive characteristics. The Hotel was built on an old Mediterranean Alquería located at the Calpe bay. With stunning views to Peñón de Ifach and Sierra de Bernia, its location in Benissa will allow you to enjoy our lovely beaches and mountain surroundings. Set in a landscape of dreams and accompanied by a mild and sunny climate, The Property is a small oasis lost from the east where you can relive the charm forgotten the Arabian Nights on the Costa Blanca.
