Holiday homes come in all shapes and sizes, but in Spain one of the most popular choices remains an apartment or townhouse within a complex that includes communal

facilities. It is easy to see the appeal and why these types of property are often described as 'lock-up-and-leave'. A holiday home within a gated development with fully managed communal areas requires little upkeep and brings peace of mind for non-resident owners who visit only occasionally. In addition, being part of a community makes it easy to make new friends of all nationalities and tap into the local social scene. At Punta Marina commercial centre you will find ATM's, restaurants, bars, a supermarket, pharmacy etc. As the development is located right by the N332 it provides easy access to the Airport and for you to enjoy all the other areas that the Costa Blanca has to offer! Punta Prima is a lovely coastal area that is located only 5 minutes from Torrevieja and from some of the best beaches in Orihuela Costa, which you are able to enjoy most of the year through. It is perfect for those who want to live in Spain or just want to come on holidays. It also benefits from a wide selection of activities and services. It is handy for golf lovers; within a short distance you can find a number of exceptional golf courses like Villamartín, Las Ramblas and Campoamor. It is an area with a large range of activities, but also an ideal place to relax. This property would make the perfect rental, holiday home or permanent residence.
