#### DESCRIPTION

Villa-country house for sale near Pego and situated on a more than 3000 sq mters. This property consists of one floor and is distributed in a living-dining room, an open kitchen, a bathroom and 2 bedrooms. There are extras such as air conditioning, fireplace, and a barbecue outside. It is in a very quiet area. Pego is a typical Spanish village with its bars and restaurants. All services are nearby, as for example the supermarket is at just 5 minutes by car.
