DESCRIPTION

Camporosso Village is a very large and exclusive project of apartments with large terraces in Finestrat. This apartment is built in 2021, has a spacious and bright living dining room, fully equipped open kitchen, 2 bedrooms, 2 bathrooms, a large terrace, interior parking and a separate storage room. A large apartment complex with a large terrace, around a large common area with swimming pools, paddle tennis courts, a gym and a Beach Social Club, and a playground. These pools, gardens and play areas are organized on different levels with terraces and impressive natural stone walls, creating a magical atmosphere. The apartments have views of the Benidorm skyline , the sea and the common areas. Everyone plays with light, colors and functionality. Straight lines and large windows.
